

Public meeting on the proposed wastewater system for the Greater Woods Bay area set for September 16th

The Greater Woods Bay Sewer Committee along with the Woods Bay and Sheaver's Creek Water and Sewer Districts will hold a public meeting on Friday, September 16, at 7PM in the basement of Bethany Lutheran Church, 8559 MT Hwy 35, in Bigfork. At the meeting the status of the proposed wastewater project to date will be explained. The engineering firm Morrison-Maierle, Inc will be present to discuss the scope of the project, a general timeline, and funding/financial options. There will be an opportunity to ask questions on the project. The Greater Woods Bay area extends from the Lake/Flathead County line on the north, to Mauzey Creek on the south, and on both sides of MT Highway 35. Neighborhoods included in this project are those of the Woods Bay and Sheaver's Creek Water and Sewer Districts, Yenne Point, Romain Estates, Yenne Point Road, White Cap Lane, Shore Acres, Orchard Lane, Community Lane, Ridgewood Estates, and Sylvan Drive. For more information see the website www.yennepoint.org.
